## 2025 INDIVIDUAL INCOME TAX CHECKLIST

This checklist **must be** completed to ensure that no income or deductions have been overlooked and that we meet our due diligence requirements as your tax preparer. **If you intend to file a joint return, please consider each question for both spouses. Keep in mind that there may be questions that do not apply to you. Do not leave these blank, please answer No, unless directed to skip to the following section.**

**PLEASE NOTE:** Please **take the time** to read all questions thoroughly and reach out to us should you have any questions.

### General Information

1. A question on Form 1040 will allow you to authorize the IRS to discuss your 2025 tax return with the paid preparer whose signature appears on your return. Checking "YES" in the appropriate box will allow:

- a. The IRS to call us to answer questions that may arise in the processing of your return;
- b. Us to give the IRS information that is missing from your return;
- c. Us to call the IRS for information about the processing of your return or the status of your refund or payment(s);
- d. Receive copies of notices or transcripts related to your return, upon request; and
- e. Us to respond to certain IRS notices about math errors, offsets, and return preparation.

Checking "YES" does not authorize:

- a. Refund checks to be sent to us;
- b. Us to bind you to anything (including additional tax liability);
- c. Us to otherwise represent you before the IRS.

The authorization for the 2025 tax return, once granted, cannot be revoked. It will, however, end automatically on April 15, 2027.

*Please indicate if you would like to authorize your preparer to work directly with the IRS to handle return processing matters and provide additional information requested by the IRS.*
